Points Interest (Silver, Gold, Platinum)

Members who have earned Silver Status, Gold Status or Platinum Status may earn interest on Points in the form of bonus Points ("Bonus Points"). This Bonus Points calculation is determined at Bilt's sole discretion on a month-to-month basis and will be applied to the Member's current spendable point balance on the last calendar day of each month, or the following business day if the last day falls on a Saturday, Sunday or other holiday. These Bonus Points will be credited to your Membership Account within the first 5 days of the following month. For the avoidance of doubt, "interest" on Points will be exclusively denominated in additional Bonus Points and cannot be redeemed directly for cash.
